This brief, innovative text explores contemporary human geography in the bold visual style that distinguishes Dorling Kindersley (DK) publications. Topics within each chapter are organized into modular, self-contained, two-page spreads. Together with the graphics, Rubenstein s efficient writing presents information clearly without sacrificing the high-quality geography content essential to students and instructors. The Third Edition offers a deeper level of integration with MasteringGeography, additional active learning opportunities, expanded critical contemporary topics, and features that encourage group work and in-class discussions. Personalize learning with MasteringGeography MasteringGeography is an online homework, tutorial, and assessment program designed to work with Contemporary Human Geography to engage students and improve results. Interactive, self-paced coaching activities provide individualized coaching to keep students on track. With a wide range of visual and media-rich activities available, students can actively learn, understand, and retain even the most difficult concepts.
