But for each, midlife has brought certain discontents, especially for Forrest, a reformed womaniser who broods over his fading looks and the departure of his beautiful younger girlfriend. When Dr Forrest goes missing one summer evening and fails to return, Lochran and Hartford are alarmed by the thought of what might have befallen their friend. The police can find no evidence of foul play, but the two doctors resolve to conduct their own investigation. Soon, however, Lochran and Hartford find themselves bedevilled by bizarre, unnerving events, and the attentions of menacing strangers. Robert Forrest, they come to realise, has remained closer than they could ever have imagined. 368 pp. Englisch.
