Alex and Ethan are brothers, growing up on an estate where there are just two choices: sport or crime. Ethan is a promising footballer, and when he is selected to go on a training programme in the US, he feels sure that he has found his chance to escape the gangs that dominate his streets. But as life spirals out of control for his brother, Alex, and things unexpectedly take a turn for the worse for Ethan, he finds himself drawn into the midst of an explosive feud with the gun at its heart. The gun can make a weak man strong. The gun is the coward s fist. The gun is power. In this tense, gripping and absorbing real life thriller, Alan Gibbons explores the complex issue of gun crime, and the far-reaching consequences it can have.
