

The Rural School and Hookworm Disease Volume 20-27 (Paperback)

By John Atkinson Ferrell

Rarebooksclub.com, United States, 2012. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1914 Excerpt: .education fund by the city. Courses are offered, with the following membership: Sculpturing wood and stone, 36 students; furniture making, 60; metal repousse work, 36; upholstery and tapestry, 45; machinists, 24; engraving and die sinking, 15; jewelry work, 5; metal turning and spinning, 16. Instruction is given daily from 8 a. m. to 6 p. m., 1 hour being allowed for lunch, 6 days a week, 43 weeks a year, during a period of 5 years. In the third, fourth, and fifth year the daily instruction is extended to 7 p. m. Formerly the course was three years, but it has just been increased to 5, adding two special supplementary years of attendance, which are optional for specialization. The first three years, however, are necessary for graduation, which so trains a boy that he covers completely the term of his apprenticeship in the trade. In the...

Reviews

This book is definitely worth getting. It usually will not price too much. Its been printed in an extremely simple way in fact it is only right after i finished reading this publication where basically altered me, modify the way i think.

-- **Avery Daugherty**

A very amazing publication with perfect and lucid information. We have read through and that i am certain that i will planning to study once more yet again in the future. You will not really feel monotony at anytime of the time (that's what catalogues are for about should you question me).
