Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Dollars and Sense in the Poultry Business More money can be made from poultry right now and during the next two to five years than ever before in the history of the chicken business. A student of this school, living in Canada, started raising a few chickens in a made-over chicken shed in his back yard. He invested only \$19.00 in poultry to start with. He kept track of every dollar s worth of expense, every dime s worth of feed, etc. He cared for his hens and fed them just as we told him to do in the lesson books of his course. This student made a clear profit in one year of \$9.20 per hen, besides increasing the value of the chickens and houses on hand. Thousands of our students have recently written us in detail showing they have made from two to twenty times as much cash profit as ever before. Some of these are only raising a few dozen in their back yard; others raise from one to five thousand per year. Some, in fact most of these people, were losing money from poultry one, two or three years ago, but with the knowledge they gained from our books and teachings added to the better money making poultry conditions, these same students are now making big money. At our Experiment Station we placed together some time ago 160 pullets. In ten months this flock of pullets had earned a clear cash profit of \$976.67, which is \$3.26 per day. All feed was bought by us at high retail prices. The pullets were housed and cared for in the exact manner described...
