Detective Sergeant Apelu Soifua knows firsthand how cops work in the big city; he spent seven years on the beat with the San Francisco PD. There, the job was just a job. But back home on American Samoa, it's personal. On an island, there are no strangers. Secrets may be commonly known but they're never discussed, and solving crimes requires a certain finesse. Here, Apelu walks the line between two cultures: Samoan versus American, native versus new, each with its own unique way of coping when things go wrong. And never is that more evident than when a seemingly random break-in at a white family's home turns out to be anything but random. Following a tangled evidence trail that winds between cultures, Apelu must navigate dead bodies, hidden codes, and a string of lies before he can uncover the ugly truth buried at the heart of paradise.
