Torri del Vento, 2013. Book Condition: new. Palermo, 2013; br., pp. 112, ill. b/n col., cm 15x21. (I Palmizi. 1). I racconti di viaggio difficilmente è caratterizzato da una commistione tra la dimensione della classica "avventura" con tutto il suo bagaglio di imprevisti, incognite, paure, esiti incerti e quella finalità sociale che prevede il viaggio come vera e propria "missione" con carattere socio-culturale. La magia del mondo lontano, le sue suggestioni, un certo indecifrabile arcano, assai lontano dal pragmatismo occidentale ne hanno fatto un terreno che l'esperienza dell'autore ha saputo decodificare traendone una profonda cifra esistenziale per trasmettere al lettore un senso che trascende la parola e i fatti.
