WHAT AMERICANS BUILD AND WHY

Paperback. Book Condition: New. Not Signed; What Americans Build and Why examines five areas of Americans' built environment: houses, healthcare facilities, schools, workplaces, and shopping environments. Synthesizing information from both academic journals and the popular press, the book looks at the relationships of size and scale to the way Americans live their lives and how their way of life is fundamentally shaped by the highway system, cheap land, and incentives. This book is timely because although Americans say they crave...
