An incredibly great book with perfect and lucid answers. Better then never, though i am quite late in start reading this one. You will not sense monotony at whenever you want of the time (that's what catalogues are for relating to if you question me).

ISLAMIC POWER FROM SATAN (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 216 x 140 mm. Language: English . To Smyrna: "I know the blasphemy of them which say they are Jews, and are not, but are the synagogue of Satan." To Thyatira, "because thou sufferest that woman, Jezebel, which calleth herself a prophetess, to teach and to induce my servants to commit fornications (men marrying young girls) and to eat things sacrificed unto idols." (halal food.) Chapter 12 describes the formation of Christianity; specifically verse 14 says that Constantine (two wings of a great eagle) will form the Roman Catholic Church. From that time another time, times, and half a time is added, taking the next event to 700 AD. This is when Islam began. Verse 17 adds, "And the Dragon was wroth with the woman, and went to make war with the remnant of her seed." The religion is described as a woman. Jezebel, that...
