United Nations. Paperback. Book Condition: new. BRAND NEW, The Impact of Poorly Regulated Arms Transfers on the Work of the United Nations, United Nations: Office for Disarmament Affairs, This paper aims to develop a coherent United Nations approach to support the international community's efforts to improve the regulation of international transfers of conventional arms. It records the United Nations Organization's advocacy over the past years of a robust and comprehensive Arms Trade Treaty that covers the full array of conventional weapons as well as ammunition and that includes provisions that arms not be transferred where there is a clear risk that they will be used to commit violations of international humanitarian law and human rights law or seriously undermine development.
