The office is to a large extent a bureau of information. From all over the Territory and foreign countries have come letters by every mail seeking information on agricultural matters. These have been carefully answered and there has been no attempt whatever at exaggeration, plain facts only have been given. Many tourists have visited the office as I keep there a display of Island woods, forest photographs, blights, beneficial insects, seeds of many different kinds, also fruits in preservative. The office is small and does not admit of a large display which could easily be obtained, and made very attractive. Owing to the prevalence of certain blights and the absence of the entomologist, it has devolved on your Commissioner to make personal visits to note the affected trees and suggest the...
