

The Good GP Training Guide

By Matt Burkes, Alec Logan

Royal College of General Practitioners. Paperback. Book Condition: new. BRAND NEW, The Good GP Training Guide, Matt Burkes, Alec Logan, The Good GP Training Guide is a travel guide-style book for trainees in general practice. Written by over a hundred contributors assembled from five continents, it includes contributions from leading writers in primary care. It is written in an accessible style with down-to-earth tips and anecdotes, sometimes irreverent, from real life. There is an emphasis on the reality of general practice. It also contains humorous or touching vignettes with accompanying linocut artwork from the Red Roses exhibition. The book's first section covers hospital placements. It is intended to show trainees how to get the most out of their training posts. Beginning with basic information on behaviour required in the hospital setting, there are chapters looking at cardiology, ophthalmology, rheumatology, etc. These chapters are split up into handy lists, covering the basics, tips on patients and PDP pointers. The second section covers GP rotations. It gives information on passing the various RCGP exams as well as realistic advice on other facets of general practice. The third section looks at finding a job and making the transition to an independent practitioner. Options...

Reviews

This is an amazing book that I actually have actually read through. I am quite late in start reading this one, but better then never. You will not truly feel monotony at anytime of the time (that's what catalogs are for concerning should you ask me).
