Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Dogs can be your best friends. They love you when you are happy or sad, when you are angry or frustrated. They just want your love and attention. That's all they ask, well and a bone from time to time. Having a dog is a natural thing for humans. I encourage everyone to have a four legged hairy friend because I believe they complete us. However, just to remind you, having a dog is going to change your life completely! First of all, you need to understand the most important thing is to learn to live next to each other so as to foster a happy relationship between you and your dog. I have seen many dog owners who feel miserable because of treating their dogs too well. Their dogs are usually bold and beautiful spending most of their life on a couch and demanding more attention which is never enough. Was that the life you were dreaming to have with your new dog? Are you now happy? I have also seen many dogs that live miserable lives because they are not allowed to do anything in their nature. They are not allowed to run, not allowed to bark and not even thinking about deciding anything by itself. Does that sound good for you? Does your best friend who would give you his life really deserve such treatment? Or are you sure that after this kind of treatment your dog would jeopardize his life for you? For me it always seems like a bad marriage where one side tries to please or dominate too much on another side. I believe dogs and humans friendship...
