### ***Reviews***

*This publication is indeed gripping and intriguing. It is actually written in basic terms and not difficult to understand. I am just pleased to explain how here is the greatest publication we have read through during my own lifestyle and could be the best pdf for at any time.*

Not illustrated. 1892 Excerpt: .are vowed to Notre-Dame on her altar; the entrance to her sanctuary is hung with votive tablets; and the fisher-folk especially consider her their guardian and patroness. She helps her Boulonnais in ways many and various. She helped the peasants of Ambleteuse (in 1778) during the prevalence of a cattle-plague, as witnessed a votive offering of a silver cow which stood before her altar before the desecration of 93. She protected others of her votaries during the war of 1870, Quam votiva testantur fana tabelld. But she is above all things Queen of the Seas. France, says M. de Montrond, in a pleasant little brochure written in eulogy of Notre-Dame, in a century justly called le sikle de Marie, has been anxious to show the world that she is more than ever devoted to her ancient patroness. Placed at her two portals on the south and on the north, the cathedrals of Notre-Dame de la Garde on the Mediterranean and Notre-Dame de Boulogne on the ocean appear like two great thrones raised to her august sovereign. The stranger who approaches our coasts from what sea soever he may come, learns at a first glance that he has set foot in the royaume de Marie, on a land honored by recurring marvels of her pity and her love. It is the utterance of an enthusiast; but it is probably as representative as the anarchic atheism of Belleville. It is representative, at aerate, of the mariners of Boulogne....
