Brand New Book ***** Print on Demand *****.For immigrants to America, life is often challenging and confusing. But for George Bankus, the immigrant experience comes to life through a remarkable story he is told about Mr. Cap, a man who comes to America burdened not only with the usual struggles of an immigrant. He also carries a curse placed on him by the Science Man, or Obeah, of his village, a medicine man believed to have unlimited powers to influence events. Due to the spell put on him by the Science Man, Mr. Cap is destined to be a thief, and he served many prison terms. On his final visit to prison, he meets a remarkable mentor who sees that there is more to Mr. Cap than his criminal behavior. Mr. Cap and the Science Man is a story of one man's redemption through the support of those who believe in him: his wife Sheila, and his mentor. Immerse yourself in the rich cultural traditions of the Obeah as you follow his rigorous journey to become a powerful medicine man, and experience Mr. Cap's desperation and hope as he transforms himself from a petty criminal to a man of honor. Mr. Cap and the Science Man is a compelling, moving story that will continue to resonate long after the last page is turned.
