Grave Distractions Publications, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The journey of a Synchronomystic. It guides us to the realization that all things created are divine, and that in all things we can find evidence of the love sourced creative force that birthed our physical world. It teaches us to embrace the truth that there is no separation between physical and spiritual. It helps us to understand and accept that life, in all its mystical and magical glory, is merely a representation of our purest hearts desires. Essentially, it reminds us that our most precious gift is the experience of life itself, and in the process, strips away our dependence on fear as the motivating force behind our decision making. Raised a Christian and living a life of confusion, I was, for many years, the black sheep of a family that could not accept my views, my choices or my actions. I had grown up knowing that I did not fit in to the societal box that had been presented to me as the norm and so had lived a life pushing against all the things that I saw to be wrong in our world. In early 2009, my self-destructive cycle came to an abrupt end shortly after the passing of my most respected and treasured family elder. After what seemed to be a lifetime of loss and poor choices, I was gifted with the desire to find a better way to live. I set out to find the answers to some of the most fundamental questions about human existence. Who am I? Why am I here? - and most importantly - What is this God thing anyways? For several nights I lay awake asking...
