Hardback. Book Condition: New. Not Signed; As we know from Greg Stones's first breakout hit book, zombies hate stuff. It's less understood that the undead also struggle with the stuff of everyday life usually navigated by the breathing. Zombies have issues with yoga, bad hair days, chopsticks, the morning commute, touch-screen technology and more. They kind of enjoy skunks, gardening and acupuncture, but they have major issues with banana peels, Renaissance fairs, bear traps and bunnies. In the face of such adversity, all zombies really want is a cure. With humour, wit and braaaains, Greg Stones's colourful painted panels offer a sympathetically funny, new perspective into the trials and tribulations of the undead in a world made for the living. book.
