

Ipso Facto: A Scientific Exploration of the Old and the New Testament

By Don Leichel

Digital Publishing Centre. Paperback. Book Condition: New. Paperback. 514 pages. Dimensions: 9.0in. x 6.0in. x 1.2in. Science is a sound basis for understanding our world. The Bible is full of unresolved mysteries that have fascinated readers through the ages. Now there have been a number of sensational breakthroughs that have compelled Don Leichel to write this book. The result is an informative, fact-filled work, uniquely tracing the development of the Messianic concept from the beginning of human history. Ipso Facto investigates a range of primary sources, many revealed here for the first time, to provide a credible insight into everything that has come down to us from ancient Biblical history. The sum of proofs shows the existence of a timeless Super-Intelligence, the God of the Universe in the Bible, reaching out to mankind. The conclusive evidence produced makes the case for Judeo-Christianity as the only faith of reason in the world that can stand the test of scientific cynicism. Among the outstanding features investigated is the astronomical phenomenon interpreted at Pharaoh's court around the birth of Moses. The historical marker designates the Egyptian dynasty and the names of the Pharaoh and his daughter who adopted Moses. Evidence produced from historic writings shows that...

Reviews

Unquestionably, this is the best work by any author. Better than ever, though I am quite late in starting to read this one. I realized this publication from my dad and I advised this PDF to find out.
